

# Let Us All Be Good and Kind

1. Let us all be good and kind, Ho - nest and true;  
 2. Let us seek un - to the Lord, With - out de - lay;  
 3. In these pre - cious youth - ful days Let us be - gin  
 4. If our days are spent on earth Un - to the Lord,

5 And the path of du - ty mind And keep in view;  
 Seek Him now with one ac - cord, While yet we may;  
 E'er to shun all e - vil ways, That lead to sin;  
 God will sure - ly bring us forth To our re - ward,

9 Nev - er heed the world's foul sin, Nev - er take a part there - in;  
 Seek to learn His ho - ly will, All our du - ties to ful - fil,  
 Speak the truth in all you say, Nev - er, nev - er go a - stray  
 In the man - sions far a - bove, In a land of light and love,

13 Seek e - ter - nal lives to win; This we should do.  
 Nev - er yield a point un - til We gain the day.  
 From the straight and nar - row way, But walk there - in,  
 Where all things in or - der move, For us pre - pared.
