

And Are We Yet Alive

S.M.

1. And are we yet a - live,
 2. What trou - bles have we seen,
 3. Then let us make our boast

1. Pre - served by pow'r di - vine
 2. But out of all the Lord
 3. Let us take up the cross,

And see each o - ther's face?
 What con - flicts we have passed,
 Of his re - deem - ing pow'r,

To full sal - va - tion here,
 Hath brought us by his love;
 Till we the crown ob - tain;

Glo - ry and praise to Je - sus give
 Fight - ings with - out, and the fears with - in,
 Which saves us to the ut - ter - most,

A - gain in Je - sus' praise we join,
 And still he doth his help af - ford,
 And glad - ly rec - kon all things loss,

For his re - deem - ing grace!
 Since we as - sem - bled last?
 Till we can sin - no more:

And in his sight ap - pear.
 And hides our life Je - a - bove.
 So we may Je - sus gain.
