

The Glorious Day

C.M.

1. The glor - ious day is rol - ling on- All glo - ry to the Lord!
2. For in its own prim - e - val bloom, Will na - ture smile a - gain;
3. What glo - rious pros - pects! can we claim These hopes, and call them ours?
4. Then while the pow'rs of dark - ness rage, With glo - ry in our view,

When fair as at cre - a - tion's dawn The earth will be re - stored.
And blos - soms stream - ing with per - fume, A - dorn the ver - dant plain.
Yes, if through faith in Je - sus' name, We con - quer sa - tan's pow'rs.
In Je - sus' strength let us en - gage, To press to Zi - on too.

A per - fect har - vest then will crown The re - no - va - ted soil;
The saints will then, with pure de - light, Pos - sess the ho - ly land;
If we, like Je - sus bear the cross- Like him des - pise the shame;
For Zi - on will like E - den bloom; And Je - sus come to reign-

And rich a - bun - dance drop a - round, With - out cor - ro - ding toil.
And walk with Je - sus Christ in white, And in his pre - sence stand.
And count all earth - ly things but dross, For his most ho - ly name.
The saints im - mor - tal from the tomb With an - gels meet a - gain.
